Camp Pinnacle's main purpose is to create an environment where girls can experience God and hear first-hand what He is doing around the world. In addition, we strive to promote Christ-like characteristics as we disciple girls in their relationship with Jesus. Campers have many opportunities including both private and corporate worship, enjoying the outdoors, meeting missionaries who are with us each week, experiencing camp activities such as pottery, crafts, archery, hiking and swimming.

Although the scholarship program is limited, some assistance may be available to help families who are currently unable to provide the finances for their camper to experience a week at Camp Pinnacle.
